Education

B.E. Computer Science and Engineering 2024 – 2028
National Engineering College, Kovilpatti CGPA: 8.05 (up to 4th Semester)
Higher Secondary (12th), SHN Ethel Harvey Girls Hr. Sec. School, Sattur 81.5% – 2024
SSLC (10th), SHN Ethel Harvey Girls Hr. Sec. School, Sattur 89.2% – 2022

Technical Skills

- **Programming Languages:** C, C++, Java, Python.
- **Web Technologies:** HTML, CSS, JavaScript.
- **Core Subjects:** Data Structures and Algorithms (DSA), DBMS, Design and Analysis of Algorithms (DAA).
- **Coding Platforms:** Skillrack, HackerRank, LeetCode.

Projects

Online GoldChit Management System

- Developed an online gold chit management system using HTML, CSS, and JavaScript with secure authentication.
- Automated installment tracking and payment management with role-based access control.

Patient Management System

- Developed a console-based patient management system using C++ with OOP and file handling.
- Created a menu-driven interface for efficient patient record management.

RSA Quest – Cryptography and Cybersecurity Tool

- Built an application demonstrating RSA encryption and decryption to strengthen cybersecurity concepts.
- Implemented key generation, encryption, and decryption logic to showcase core cryptography principles.

Internship

Decode Labs 1 Month
Domain: Artificial Intelligence

Hackathons

- **Smart India Hackathon (SIH):** Participated in the national-level hackathon focused on solving real-world problem statements through innovative software solutions.
- **TCS CodeVita:** Participated in TCS's global coding competition, solving algorithmic and problem-solving challenges.

Achievements

- **Game of Code:** Won 2nd Prize in an inter-college coding competition held at Kumaraguru College of Technology.

Intra-College Participation

- **Decryptor:** Participated in an intra-college cryptography and problem-solving event.
- **Innothon:** Participated in an intra-college innovation and hackathon event.

Certifications

- **NPTEL:** Technical English for Engineers, IoT, Cloud Computing, IIOT 4.0, Introduction to Machine Learning.
- **Infosys Springboard:** DBMS Part I, Generative AI, Computational Problem Solving, HTML, CSS, JavaScript.
- **SoloLearn:** Introduction to C, Introduction to C++.

Languages Known

English, Tamil, Telugu (Basic).
